SUBJECT: ON-LINE PART AND PRICE LOOK UP

In our continuing effort to assist our Authorized Service Providers, we have added a new tool to our web site under the “Your Account” tab. In addition to looking up parts by using your password and id number, you can now look up the current list price of the part.

In addition, if you enter a search string, such as “thermostats”, a complete list of any thermostat will be displayed showing a part number, its description, sales references, the list price and status of the part.
