**SUBJECT: SPARE PARTS PRICE INCREASE**

**STOCK UP NOW AND BEAT THE PRICE INCREASE!**

Effective March 7, 2007 A.J. Antunes & Co will implement a Spare Parts Price Increase. The price increase is only for the parts listed and does not affect all A.J Antunes & Co parts. We have kept our price down for many years. The price increase is due to higher manufacture materials prices. Please review the attached list for your most common parts.

You can still purchase these parts at the old price and hold them in your inventory.

A few reminders to help you save even more money on you order:

**ORDER ONLINE, YOU RECEIVE A 1% DISCOUNT.**

Reminder: If you have any problem ordering a part, enter that part number and quantity in the Order Comment section and our Customer Service Department will add the part to your order.

**We Offer Once A Month FREE FREIGHT (UPS Ground Only).**

If you have any questions please feel free to contact us.
