Subject: McDonalds Manual Egg Steamer MES-1200

The MES-1200 has been released into the McDonalds Global system since July 2006. It is designed to cook 12 eggs using a combination of grill heat & steam in approximately 2:30 minutes.

There are 2 operator/owner's manuals available. The domestic version P/N 1010945 & the International version P/N 1010964. Both manuals can be accessed/downloaded electronically from EM Web. A link to EM Web is available directly from our website www.ajantunes.com

The following is a list of mandatory stocking parts to support this item as it has a 2 year parts & labor warranty with limited onsite. Several of the components listed are very common in other equipment & probably in your existing stock.
