A. J. ANTUNES/ROUNDUP EQUIPMENT PRICE LIST

Attached is our price list for the Roundup Equipment line.

This price list will enable you to compare the excessive cost of a repair to the price of a new piece of equipment and advise the customer before repairing.

Also included in the price list is our Roundup Sales Reps.

The relationship you have with our Sales Reps is very beneficial for everyone. In our training meetings with our Reps, we are encouraging them to keep in touch with you.

If you have any questions, please contact us.
